Dear Mr. McLaren,

According to the decision of International Canoe Federation of July, 26, 2016 the following Russian athletes have been declared ineligible for participation in the Olympic Games 2016 as the athletes implicated in the IP Report:

- Elena ANIUSHINA
- Natalie PODOLSKAYA
- Alexander DYACHENKO
- Andrey KRAYTOR
- Alexey KOROVASHKOV.

Regretfully the International Canoe Federation has not provided us with the details of the implications which had been made against these athletes.

In the absence of the above mentioned details and evidences declaration of ineligibility could be announced as unfounded and ungrounded and violating the rights of the athletes in question.

In this regard, we respectfully request you **within 48 hours after the receipt of this letter** to provide us the details of the implications made against these athletes with the framework of your IP Report of July, 18, 2016.

If we do not receive your response within the prescribed deadline, this case will be immediately referred to the CAS according to the Olympic Charter.

Regards,

Evgeny ARKHIPOV
NF President
